NORMS FOLLOWED FOR FIXING FEE

The school fee is fixed after considering several factors, such as the normal capacity of parents to pay, the guidelines provided by the CBSE and state government, the average pay scales offered in private schools, the need to balance income and expense of the school on an annual basis, the need for a reserve fund, the school's contingency fund, and other similar issues. The latest infrastructure provided at the school also matters much in deciding the quantum of fees.

As per the CBSE bye Laws school is following norms in respect of the fees charged from pupils:

1. No Trust shall charge capitation fee or accept donations for the purpose of admission for pupils.
2. Admission Fee and Fee charged under any other head are to be charged only as per the regulation of the Appropriate Government.
3. Fees shall be charged under the heads prescribed by the Department of Education of the State/UTs.
4. Fee Revision of schools shall be subject to laws, regulation, and directions of the Appropriate Government.
5. Fee shall not be revised without the express approval of the school Management committee, or the process prescribed by the Appropriate Government under any circumstances.
6. In the event of a student discontinuing the studies or wishing to migrate to some other school, dues shall be collected only up to the month of discontinuance or migration and not up to the month in which the transfer certificate is applied for. This shall apply to all Head of Fee.
